

A cartoon illustration of a hand holding a sign. The sign has a jagged, torn edge and contains text. Above the text are several colorful, stylized cancer cells: a purple one with tentacles, a blue one with multiple heads, a yellow one with a long tail, and a brown one with a scorpion-like shape. The background is a light green, irregular shape.

**Battling Cancer right now
so I can't fight your cold, too.**

Please use hand sanitizer.
